

Article description	Heavy duty wheel stop
Item number	DMR-WS15R

Length	1000 mm
Width	300 mm
Height	150 mm
Net weight	25 kg
Material	Hard rubber
Color	Black With yellow reflecting stripe
Indoor use	Yes
Outdoor use	Yes

Fixing	Permanent fixation by 5 integrated plug receivers possible (Mounting materials are available separately as DMR-SR50FIXI)
--------	---

Description	The heavy duty version of the wheel stop is a massive parking space restriction and manoeuvring aid for trucks, buses and other large vehicles designed for long-term use. The wheel stop prevents damage to vehicles, buildings and machinery by allowing the vehicle to roll only until the tyre is in contact with the sill.
